These gross figures include all hotel and transport costs incurred in attending training courses.

In 2005 Ferryhill Town Council considered the recommendations of the independent remuneration panel for the area and resolved not to take the full Councillors Allowance. Councillors are instead only entitled to claim a daily Participation Allowance when away from home on a training course or other similar event. In addition to this, Councillors are also entitled to claim actual travelling and subsistence allowances in accordance with the Members Allowance Policy.
